**The Alberta New Home Warranty Program  
Service Awards 2009**  
Established Builders Honoured in Grande Prairie

**May 20, 2010 - Grande Prairie, Alberta** -- The Alberta New Home Warranty Program has announced the Grande Prairie area recipients of its annual Service Awards. The awards ceremony held on May 20, 2010, in conjunction with the Canadian Home Builders Association—Grande Prairie Region, recognized those Builder Members who have provided quality service to their customers. With nearly 100 industry colleagues in attendance, the annual Service Awards recognize the Builder Members' consistent performance in meeting their customer expectations in this highly dynamic industry.

"This is a very significant year for the Program as we honour one of our Builder Members with a distinguished and well deserved 30 year service award. With three decades of providing outstanding service, this builder is a testament to the Program and the industry," says John Kozole, President and Chief Executive Officer, the Alberta New Home Warranty Program.

The Builder who received special recognition with a **Legacy Achievement Award** for **thirty** years of Service Excellence: *Cardon Homes Ltd.*

The following Builder Members were also recognized for achieving milestone awards:

**25th Year: Leadership in Excellence Award:** *R. Hart Builders (1995) Ltd.*

**15th Year: Distinguished Builder Medallion:** *Elaborate Homes Ltd.*

"The Service Awards are a time to salute our Builder Members in achieving service excellence year after year. Our builders have risen to the challenge and made a commitment to ensure their homebuyers receive the best quality service possible," says Kozole.

About the Program

The Alberta New Home Warranty Program (ANHWP) is celebrating 35 years as a leader and innovator in the provision of residential warranty services to the home building industry and was the first program of its kind to be introduced in Canada. The Program was founded by Alberta builders in 1974 to encourage improved performance standards for the new-home building industry.

The over 650 Builder Members of ANHWP offer deposit protection, builder performance protection, structural integrity and first year warranty protection as well as mediation, conciliation and arbitration processes.

In addition to providing warranty services, the Program offers its Builder Members an array of tools, services and educational options to enhance expertise and support the relationship between Builder Members and their homebuyers.
